

**Amendment to the Specification**

Please Amend paragraph [009] to read:

First and second link members each adapted for limited movement one with respect to the other, said first link member having a first set opening extending therethrough said bore;

Please Amend paragraph [0046] to read:

In one aspect of the invention, the outer disc and wire guide 13 is provided with a plurality of circumferentially spaced dowel holes 23 while the inner disc 12 is also provided with correspondingly spaced diametric dowel holes 24. When then assemblies are placed together with dowel pins located in holes 23 and 24 respectively, it will be appreciated by the person skilled in the art that if the assembly is then maintained under tension by the control wires therefore, permanent fixing will not be necessary. The outer disc 13 is provided with a plurality of through bores 25 adapted to constitute wire guide holes to accommodate the control wires for the device, wherein set opening extend through the central bore.
